11           “(1) IN GENERAL.—For purposes of subsection  
12           (a) and (b), the Secretary shall develop and imple-  
13           ment a formula for accurately estimating the num-

15        in the State or Tribe is higher than such estimate,  
16        issue a supplementary grant payment to the State or  
17        tribe in an amount that ensures that the total  
18        amount of the grant funds received by the State or  
19        tribe under this subpart for the year covered by the  
20        grant accurately reflects the higher number of eligi-
