A BILL

To ensure that patients receive accurate health care information by prohibiting misleading and deceptive advertising or representation in the provision of health care services, to require the identification of the license of health care professionals, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Truth in Healthcare
5 Marketing Act of 2021”.

6 **SEC. 2. FINDINGS.**

7 Congress finds that—

1 (1) many types of health care professionals in-
2 cluding physicians, technicians, nurses, physician as-
3 sistants, and other allied practitioners are engaged
4 in providing services in health care settings, and all
5 of these individuals play an important and distinct
6 role in the health care delivery system;

7 (2) the exchange of information between pa-
8 tients and their health care professionals is critical
9 to helping patients understand their health care
10 choices;

11 (3) consumers are often unaware of the dif-
12 ferences in, and seek more information about, the
13 qualifications, training, and education of their health
14 care professionals;

15 (4) evidence exists of patient confusion result-
16 ing from ambiguous health care nomenclature and
17 related advertisements and marketing products; and

18 (5) nationwide surveys conducted in 2008 and
19 2010 revealed the depth of confusion regarding the
20 education, skills, and training of health care profes-
21 sionals and indicated strong support for increasing
22 clarity in the advertising and marketing claims of
23 health care professionals.

1 **SEC. 3. HEALTH CARE SERVICE PROFESSIONAL UNFAIR**
2 **AND DECEPTIVE ACTS AND PRACTICES.**

3 (a) CONDUCT PROHIBITED.—It shall be unlawful for

16 (b) shall be treated as an unfair or deceptive act or prac-
17 tice prescribed under section 5 of the Federal Trade Com-
18 mission Act (15 U.S.C. 45). The Federal Trade Commis-
19 sion shall enforce this Act in the same manner, by the
20 same means, and with the same jurisdiction as though all
21 applicable terms and provisions of the Federal Trade
22 Commission Act were incorporated into and made a part
23 of this Act.

24 (d) NONPREEMPTION.—This section does not pre-
25 empt any State or local law relating to the subject matter

1 of this section so long as such law does not prevent the
2 implementation of this section.

3 **SEC. 4. TRUTH IN ADVERTISING STUDY.**

4 (a) STUDY.—As soon as practicable after the date of
5 enactment of this Act, the Federal Trade Commission
6 shall conduct a study of health care professionals subject

9 tuting a violation of such section;

10 (2) determine the frequency of such acts and
11 practices;

12 (3) identify instances of harm or injury result-
13 ing from such acts and practices;

14 (4) determine the extent to which such persons
15 comply with State laws or regulations that—

16 (A) require oral or written disclosure, to
17 the patient or in an advertisement, of the type
18 of license such person holds; and

19 (B) set forth requirements for advertise-
20 ments for health care services with regard to
21 disclosure of the type of license under which
22 such person is authorized to provide such serv-
23 ices; and

1 (5) identify instances where any State public
2 policy has permitted acts and practices which violate
3 section 3(a).

4 (b) REPORT.—The Federal Trade Commission shall
5 report its findings to Congress not later than 1 year after
6 the date of the enactment of this Act.

7 **SEC. 5. RULE OF CONSTRUCTION.**
