22 suffering from a mental health crisis can better pro-
23 tect the safety of the general public and law enforce-
24 ment officers.

4 grants to State, local, and Tribal law enforcement agencies
5 and corrections agencies to obtain behavioral health crisis
6 response training for law enforcement officers and correc-

9 corrections officers to resolve behavioral health crisis
10 situations;

11 (2) reduce the number of law enforcement offi-
12 cers and corrections officers killed or injured while
13 responding to a behavioral health crisis; and
