---

## A BILL

To authorize the Susan Harwood Training Grant Program.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

3       **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Susan Harwood Train-  
5       ing Grant Program Authorization Act”.

6       **SEC. 2. SUSAN HARWOOD TRAINING GRANT PROGRAM AU-**  
7       **THORIZED.**

8       Section 21 of the Occupational Safety and Health Act  
9       of 1970 is amended—

10       (1) in subsection (c) to read as follows:

1       “(c) The Secretary, in consultation with the Sec-  
2       retary of Health and Human Services, shall (1) provide  
3       for the establishment and supervision of programs for the  
4       education and training of employers and employees in the  
5       recognition, avoidance, and prevention of unsafe or  
6       unhealthful working conditions and in employee rights and  
7       employer responsibilities under this Act and (2) consult  
8       with and advise employers and employees, and organiza-  
9       tions representing employers and employees as to effective  
10      means of preventing occupational injuries and illnesses.”;  
11      and

12               (2) by adding at the end the following:

13       “(e) The Secretary shall create a program known as  
14      the Susan Harwood Training Grant Program to competi-  
15      tively award grants to nonprofit organizations, employer  
16      associations, labor unions, and institutions of higher edu-  
17      cation supported by State and local governments to pro-  
18      vide training and education programs for employers and  
19      workers on the recognition, avoidance, and prevention of  
20      safety and health hazards in workplaces and to inform  
21      workers of their rights and employers of their responsibil-  
22      ities under the Occupational Safety and Health Act (in-  
23      cluding grants to develop or expand the capacity of such  
24      organizations to provide safety and health training, edu-  
25      cation, and related assistance to the targeted audiences,

1 grants for the training of employees and employers on oc-  
2 cupational safety and health hazards of particular concern  
3 or for particular industries, or groups of workers at high  
4 risk of injury, illness, or exposure to hazards, and grants  
5 for the development of training materials on particular  
6 topics).”.
