# H. RES. 1351

Condemning Azerbaijan's unprovoked military attack on Armenia.

---

## IN THE HOUSE OF REPRESENTATIVES

SEPTEMBER 14, 2022

Mr. SCHIFF (for himself, Mr. BILIRAKIS, Mr. PALLONE, Ms. SPEIER, and Mr. VALADAO) submitted the following resolution; which was referred to the Committee on Foreign Affairs

---

## RESOLUTION

Condemning Azerbaijan's unprovoked military attack on  
Armenia.

Whereas, on September 13, 2022, Azerbaijan launched an unprovoked assault on sovereign Armenian territory, with intensive shelling and UAV attacks on the villages of Karmir Shuka and Taghavard in Nagorno Karabakh (Artsakh), and the Armenian border cities of Vardenis, Jermuk, Goris, and Tatev reportedly resulting in the deaths of at least 49 soldiers;

Whereas this is only the most recent escalation by Azerbaijan, as in September 2020, Azerbaijan launched a massive and unprovoked military assault on Nagorno-Karabakh, resulting in the deaths of thousands of civilians and soldiers, the displacement of tens of thousands

more civilians, and the ongoing detention of over 100 prisoners of war;

Whereas Azerbaijan’s actions are in flagrant violation of Armenia’s sovereignty, territorial integrity, and international law and represent a further escalation of Azerbaijani aggression, which has continued unabated since the November 2020 tripartite statement signed by Armenia, Azerbaijan, and Russia to end the Nagorno-Karabakh war;

Whereas, in June 2022, the Department of State again waived section 907 of the Freedom Support Act to provide assistance to Azerbaijan, despite the recent publication of a Government Accountability Office report (22–104619), which confirmed the Department of State and Department of Defense have failed to meet statutory reporting requirements to Congress on the impact of United States assistance on the peace process and the military balance between Armenia and Azerbaijan;

Whereas section 907 of the Freedom Support Act is intended to prevent United States military assistance to Azerbaijan unless the President certifies Azerbaijan “is taking demonstrable steps to cease all blockades and other offensive uses of force against Armenia and Nagorno-Karabakh”; and

Whereas peace, stability, and democracy in the Caucasus region are in the political, security, and economic interests of the United States and are matters of international concern: Now, therefore, be it

- 1       *Resolved*, That the House of Representatives—
- 2               (1)   condemns the September 13, 2022,
- 3       unprovoked military attack launched by Azerbaijani

1 forces on Armenia and Nagorno-Karabkh and calls  
2 for an immediate and unconditional ceasefire;

3 (2) calls for all assistance to Azerbaijan to be  
4 immediately ceased pursuant to the section 907 of  
5 the Freedom Support Act and for the Administra-  
6 tion to make clear to President Aliev that further at-  
7 tacks on Armenia and Nagorno-Karabakh will result  
8 in sanctions or other measures;

9 (3) stands firmly in support of our democratic  
10 partner Armenia's sovereignty and territorial integ-  
11 rity, and against Azerbaijan's military aggression  
12 and blatant violations of international laws and  
13 norms; and

14 (4) supports the United States and inter-  
15 national humanitarian assistance programs to meet  
16 the urgent needs of victims of Azerbaijani aggression  
17 in both Armenia and Nagorno-Karabakh.
