H. R. 6663

To require the Secretary of the Treasury to mint commemorative coins in recognition of the 100th anniversary of the Fleet Reserve Association.

IN THE HOUSE OF REPRESENTATIVES

FEBRUARY 9, 2022

Mr. BILIRAKIS (for himself and Mr. GARAMENDI) introduced the following bill;
which was referred to the Committee on Financial Services

A BILL

To require the Secretary of the Treasury to mint commemorative coins in recognition of the 100th anniversary of the Fleet Reserve Association.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Fleet Reserve Associa-
5 tion 100th Anniversary Act”.

6 **SEC. 2. FINDINGS.**

7 The Congress finds the following:

8 (1) On November 11, 1924, the Fleet Reserve
9 Association (FRA) was founded by Navy Chief Yeo-
10 man George L. Carlin and chartered in 1924 in

1 Philadelphia, Pennsylvania. FRA was born out of
2 the need for an organization to protect the pay and
3 benefits of enlisted Sea Service members and their
4 families.

5 (2) The Fleet Reserve Association (FRA) is a
6 congressionally chartered, non-profit organization
7 that represents the interests of the Sea Service com-
8 munity. Although the association was originally
9 named for the Navy's Fleet Reserve program, mem-
10 bership in FRA is open to all current and former
11 sailors, marines, and Coast Guard personnel.

12 (3) In 1930, FRA-proposed legislation was en-
13 acted that authorizes a death gratuity benefit of six
14 months basic pay to the estates of recalled Fleet Re-
15 servists who subsequently die on active duty.

16 (4) In 1932, FRA was successful in exempting
17 enlisted personnel from Great Depression-era pay
18 cuts that deferred pay for Federal employees by 8
19 to 20 percent.

20 (5) In 1934, FRA regained two-thirds of the 15
21 percent pay cut authorized in the Economy Act of
22 1933. The remaining 5 percent was restored in
23 1935.

24 (6) In 1935, FRA was successful in obtaining
25 eligibility for Navy retirees and Fleet Reservists to

1 receive emergency care in veterans' hospitals in
2 areas where military facilities were not available.

3 (7) In 1937, FRA helped advance legislation
4 that authorized commissary privileges for military
5 widows.

6 (8) In 1946, FRA was successful in estab-
7 lishing equity in disability compensation for disabled
8 peacetime veterans with their wartime counterparts.

9 (9) In 1950, FRA first proposed legislation to
10 provide a survivor benefit program as part of the
11 military retirement system.

12 (10) In 1972, FRA played a major role in the
13 enactment of the Widow's Equity bill, the precursor
14 of today's Survivor Benefit Plan (SBP) and FRA
15 sponsored the Navy's first Sailors of the Year com-
16 petition, a tradition that continues today.

17 (11) In 1985, FRA became a founding member
18 of The Military Coalition when laws threatened to
19 significantly cut military retired pay. The FRA is
20 one of 12 military and veterans organizations that
21 banded together to reverse the potential loss of 22.5
22 percent in cost-of-living adjustments (COLA) over a
23 seven-year period.

1 (12) In 1986, FRA played a key role in restor-
2 ing full cost-of-living adjustments (COLA) for mili-
3 tary retirees.

4 (13) In 1996, FRA became federally chartered
5 as part of the National Defense Authorization Act
6 for Fiscal Year 1997 (Public Law 104–201).

7 (14) In 2002, the Bob Stump National Defense
8 Authorization Act for Fiscal Year 2003 (Public Law
9 107–314) authorized combat-related special com-
10 pensation (CRSC) for disabled uniformed services
11 retirees wounded in combat, which FRA acknowl-
12 edged as a significant first step toward full concur-
13 rent receipt of military retired pay and Department
14 of Veterans Affairs disability compensation.

15 (15) In 2009, the FRA Education Foundation
16 was launched in conjunction with FRA’s 85th anni-
17 versary.

18 (16) In 2013, FRA successfully defeated efforts
19 to reduce future cost-of-living adjustments (COLA)
20 for military retirees by blocking implementation of
21 the chained consumer price index (CPI) in lieu of
22 the current consumer price index (CPI).

23 (17) November 11, 2024, will mark the 100th
24 anniversary of the Fleet Reserve Association.
