RESOLUTION

Honoring one million deaths from COVID–19 in the United States.

Whereas, on May 12, 2022, the United States reached 1,000,000 confirmed lives lost due to COVID–19;

Whereas the first laboratory-confirmed case of COVID–19 in the United States was recorded by the Centers for Disease Control and Prevention (CDC) on January 20, 2020;

Whereas the first known death from COVID–19 in the United States occurred in February 2020;

Whereas in the months following the first recorded death, the COVID–19 pandemic has impacted individuals, families, and communities across the United States;

Whereas estimates report that the death toll from COVID–19 has increased the number of orphans in the United States by nearly 200,000 children;

Whereas scientific breakthroughs have been effective at reducing the COVID–19 death toll; and

Whereas it is recognized that mitigation efforts can reduce the number of deaths due to COVID–19 and save lives: Now, therefore, be it
