RESOLUTION

Condemning the horrific attack on November 19, 2022, at Club Q, honoring the memories of those who were murdered, and offering support to all who were impacted.

Whereas, on November 19, 2022, on the eve of Transgender Day of Remembrance, a shooter murdered at least 5 people and injured at least 22 people at Club Q, an LGBTQ+ nightclub in Colorado Springs, Colorado;

Whereas just 6 years earlier, a gunman opened fire and murdered 49 people at another LGBTQ+ nightclub, the Pulse nightclub in Orlando, Florida, in what was then the deadliest mass shooting in modern American history;

Whereas LGBTQ+ nightclubs often serve as a place of affirmation and refuge for LGBTQ+ people;

Whereas the shooting at Club Q occurred the day before the club had planned to host a drag brunch for Transgender Day of Remembrance;

Whereas extremist anti-LGBTQ+ politicians increasingly target drag events and spread lies about LGBTQ+ people, focusing often on transgender and nonbinary youth, falsely accusing them of criminal intentions or acts;

Whereas anti-LGBTQ+ extremists have further spread lies and disinformation demonizing the LGBTQ+ community, especially the transgender and nonbinary community and those who support them, on social media platforms;

Whereas LGBTQ+ people and the people who support them have faced increasingly violent threats in the past year;

Whereas State legislators introduced more than 300 anti-LGBTQ+ bills this session, and 25 of them were signed into law;

Whereas the toxic combination of hate and access to guns can and has led to deadly results;

Whereas in the face of harassment, threats, and violence, the LGBTQ+ community has continued to show resiliency; and

Whereas all LGBTQ+ people deserve to live their lives openly without fear of hate and violence: Now, therefore, be it
