IN THE HOUSE OF REPRESENTATIVES

NOVEMBER 3, 2021

Mr. DONALDS (for himself, Mr. OWENS, and Mrs. DEMINGS) submitted the following resolution; which was referred to the Committee on the Judiciary

RESOLUTION

Recognizing law enforcement officers who have tragically passed away from the COVID–19 pandemic.

Whereas COVID–19 (SARS–CoV–2), a novel coronavirus, is a deadly illness that can transmit from person to person;

Whereas, in 2020, COVID–19 began to spread throughout the United States and throughout the world, initiating a global pandemic that has had a calamitous impact on our economy, communities, small businesses, and human life;

Whereas, in March 2020, communities in every State began to experience an influx of death from COVID–19;

Whereas, beginning in 2020, individuals across the United States continue to be impacted by COVID–19;

Whereas, by the end of September 2021, there were approximately 43,000,000 known cases of the coronavirus in the

United States, and more than 685,000 people have tragically lost their lives from COVID–19;

Whereas, by the end of April 2020, there were approximately 906,000 full-time law enforcement officers in the United States;

Whereas the law enforcement community provides public service and protection for all Americans, knowing that officers could face danger at any time while carrying out their duties to keep American citizens safe from harm;

Whereas law enforcement officers protect Americans from individuals who seek to perpetrate crime and violence, and endanger innocent lives;

Whereas law enforcement officers willingly face dangerous situations and the threat of serious bodily injury or death on a daily basis to ensure the safety of all American citizens;

Whereas, as of October 25, 2021, the House of Representatives honors the following 485 fallen law enforcement officers that have lost their lives from COVID–19—
