24 section shall be jointly operated by units of local govern-
25 ment, in collaboration with public safety and public health
26 agencies or public safety, public health and behavioral

1 health collaborations. A community response program
2 under this subsection shall identify gaps in community
3 prevention, treatment, and recovery services for individ-
4 uals who encounter the criminal justice system and shall
5 establish treatment protocols to address identified short-
6 comings. The Attorney General, through the Office of Jus-
7 tice Programs, shall increase the amount provided as a
8 grant under this section for a pilot program by no more
9 than five percent for each of the two years following cer-
10 tification by the Attorney General of the submission of
11 data by the rural area on the prescribing of schedules II,
12 III, and IV controlled substances to a prescription drug
13 monitoring program, or any other centralized database ad-
14 ministered by an authorized State agency, which includes
15 tracking the dispensation of such substances, and pro-
16 viding for interoperability and data sharing with each
17 other such program (including an electronic health records
18 system) in each other State, and with any interstate entity
19 that shares information between such programs.”.
