117TH CONGRESS 1ST SESSION

H. R. 3262

To require the Secretary of Transportation to submit a report on cybersecurity risks to motor vehicle safety, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

May 14, 2021

Mr. UPTON introduced the following bill; which was referred to the Committee on Energy and Commerce

A BILL

To require the Secretary of Transportation to submit a report on cybersecurity risks to motor vehicle safety, and for other purposes.

- 1 Be it enacted by the Senate and House of Representa-
- 2 tives of the United States of America in Congress assembled,
- 3 SECTION 1. SHORT TITLE.
- 4 This Act may be cited as the "Guarding against Un-
- 5 authorized Attacks Related to Driving Act" or the
- 6 "GUARD Act".
- 7 SEC. 2. CYBERSECURITY RISKS TO MOTOR VEHICLE SAFE-
- 8 TY STUDY AND REPORT REQUIRED.
- 9 (a) Study Required.—Not later than 1 year after
- 10 the date of the enactment of this Act, the Secretary of

- 1 Transportation, in coordination with any other appro-
- 2 priate Federal agency, shall conduct a study on the state
- 3 of cybersecurity regarding motor vehicles. In conducting
- 4 such study, the Secretary shall—

- 5 (1) develop a comprehensive list of Federal 6 agencies with jurisdiction over cybersecurity and a 7 brief description of such jurisdiction or expertise of 8 such agencies;
 - (2) identify all interagency activities taking place among Federal agencies related to cybersecurity regarding motor vehicles, including working groups or any other relevant coordinated effort;
 - (3) develop a comprehensive list of public-private partnerships focused on cybersecurity regarding motor vehicles, as well as any industry-based bodies, including international bodies, which have developed, or are developing, mandatory or voluntary standards for cybersecurity and the status of such standards;
 - (4) identify each regulation, guideline, mandatory standard, voluntary standard, and other policy implemented by each Federal agency identified under this subsection and each guideline, mandatory standard, voluntary standard, and other policy implemented by industry-based and recognized international bodies;

- 1 (5) review the technology, measures, guidelines,
 2 or practices used across the motor vehicle industry
 3 as of the date of the enactment of this Act to iden4 tify, protect, detect, respond to, or recover from
 5 cyber security incidents affecting the safety of a
 6 motor vehicle, focusing on the most advanced vehicle
 7 security solutions such as AI-driven vehicle security
 8 software;
 - (6) identify existing cybersecurity resources to assist individuals in maintaining awareness of cybersecurity risks associated with motor vehicle safety and mechanisms for alerting a human driver or operator regarding cybersecurity vulnerabilities;
 - (7) identify means to protect vehicle occupants from cybersecurity incidents affecting safety that may arise while the motor vehicle is operating; and
 - (8) identify pervasive industry vehicle software security solutions, such as, embedded in at least 150 million vehicles and 50 percent of the electric vehicle marketplace at the time of enactment.
- 21 (b) REPORT REQUIRED.—Not later than 6 months 22 after completion of the study required pursuant to sub-23 section (a), the Secretary shall submit to the Committee 24 on Energy and Commerce of the House of Representatives
