## RESOLUTION

Recognizing the border crisis as a threat to national security and supporting Governor Greg Abbott's initiative in completing the border wall.

Whereas, in March 2021, the number of unaccompanied children illegally crossing the United States-Mexico border increased from 18,096 to 47,642, resulting in a 163-percent increase over March 2020;

Whereas, in March 2021, the number of families that illegally crossed the border increased from 40,548 to 92,308, resulting in a 128-percent increase over March 2020;

- Whereas, in March 2021, the number of single adults that illegally crossed the border increased from 132,806 to 410,460, resulting in a 209-percent increase over March 2020;
- Whereas, in January 2021, U.S. Customs and Border Protection (CBP) took 78,442 migrants into custody, followed by an apprehension of 101,117 in February, 173,337 in March, and 178,854 in April;
- Whereas illegal crossings so far in fiscal year 2021 are on track to be the highest recorded in 20 years;
- Whereas 90 percent of the narcotics that enter the United States come across the southern border;
- Whereas, so far in fiscal year 2021, CBP has seized 176,517 pounds of marijuana, 119,450 pounds of methamphet-amine, 19,312 pounds of cocaine, and 7,039 pounds of fentanyl at the southern border;
- Whereas CBP has seized more fentanyl so far in fiscal year 2021 than in all of fiscal year 2020;
- Whereas the House of Representatives, under Democratic leadership, has failed to adequately respond to the crisis at the southern border;
- Whereas the Federal Government's inaction has directly impacted Texas, leading Governor Greg Abbott to pursue Texas' own border wall to ensure the safety of the State; and
- Whereas, while Texas and other southern border States are merely the front line, illegal immigration is a problem that affects every State, regardless of proximity to the border, and requires the attention and action of all Governors: Now, therefore, be it
