117TH CONGRESS 2D SESSION

H. R. 6615

To require the Consumer Product Safety Commission to issue a consumer product safety standard for portable electric heating devices, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

February 4, 2022

Mr. Torres of New York (for himself and Ms. Clarke of New York) introduced the following bill; which was referred to the Committee on Energy and Commerce

A BILL

- To require the Consumer Product Safety Commission to issue a consumer product safety standard for portable electric heating devices, and for other purposes.
 - 1 Be it enacted by the Senate and House of Representa-
 - 2 tives of the United States of America in Congress assembled,
 - 3 SECTION 1. SHORT TITLE.
 - 4 This Act may be cited as the "Safer Heat Act of
 - 5 2022".

1	SEC. 2. CONSUMER PRODUCT SAFETY STANDARD FOR
2	PORTABLE HEATING DEVICES.
3	(a) Consumer Product Safety Standard Re-
4	QUIRED.—The Consumer Product Safety Commission
5	shall—
6	(1) in consultation with representatives of con-
7	sumer groups, portable heating device product man-
8	ufacturers, and independent engineers and experts
9	and fire safety experts, examine and assess the ef-
0	fectiveness of any voluntary consumer product safety
1	standard for portable heating devices; and
2	(2) in accordance with section 553 of title 5,
3	United States Code, promulgate a consumer product
4	safety standard that includes, at a minimum, a re-
5	quirement that the portable heating device shut off
6	at threshold determined hazardous by the Commis-
7	sion, and that—
8	(A) is substantially the same as such vol-
9	untary standard; or
20	(B) is more stringent than such voluntary
21	standard, if the Commission determines that a
22	more stringent standard would further reduce
23	the risk of injury associated with such device.
24	(b) Treatment of Standard.—A consumer prod-
25	uct safety standard promulgated under subsection (a)
26	shall be treated as a consumer product safety rule promul-

1	gated under section 9 of the Consumer Product Safety Act
2	(15 U.S.C. 2058).
3	(c) Additional Rulemaking.—After promulgating
4	the standard required pursuant to subsection (a), the
5	Commission may periodically review and revise the stand-
6	ard to ensure the standard provides the highest level of
7	safety for portable heating devices that is feasible.
8	(d) Judicial Review.—Any person adversely af-
9	fected by a standard promulgated or revised under this
10	section may file a petition for review under the procedures
11	set forth in section 11(g) of the Consumer Product Safety
12	Act (15 U.S.C. 2060(g)).
13	(e) REVISIONS TO VOLUNTARY STANDARD.—
14	(1) Notice of adoption.—Not later than 60
15	days after the date on which the Commission pro-
16	mulgates a consumer product safety standard under
17	this section that is based, in whole or in part, on a
18	voluntary standard, the Commission shall notify the
19	organization that issued the voluntary standard of
20	the Commission standard and shall provide a copy of
21	the Commission standard to the organization.
22	(2) Commission action on revised vol-
23	UNTARY STANDARD.—
24	(A) NOTIFICATION BY STANDARDS ORGA-
25	NIZATION.—Not later than 60 days after the

date on which an organization revises a standard that has been adopted, in whole or in part, as a consumer product safety standard under this section, the organization shall notify the Commission of such revision.

> (B) Adoption or rejection of revised STANDARD.—A revised voluntary standard described under subparagraph (A) shall be treated as a consumer product safety standard promulgated under section 9 of the Consumer Product Safety Act (15 U.S.C. 2058) effective 180 days after the date on which the organization notifies the Commission (or such later date specified by the Commission in the Federal Register) unless, within 90 days after the date on which the notice is received, the Commission notifies the organization that the Commission has determined that the revised voluntary standard does not improve the safety of the consumer product covered by the standard and that the Commission will not adopt that standard.

(f) Definitions.—In this section:

(1) COMMISSION.—The term "Commission" means the Consumer Product Safety Commission.

1	(2) PORTABLE HEATING DEVICE.—The term
2	"portable heating device" means an electric heater
3	that—
4	(A) is intended to stand unsupported (free-
5	standing);
6	(B) can be moved from place to place with-
7	in conditioned areas in a structure;
8	(C) is connected to a nominal 120 VAC
9	electric supply through a cord and plug;
10	(D) transfers heat by radiation, convection,
11	or both (either natural or forced); and
12	(E) is intended for residential use.
