IN THE HOUSE OF REPRESENTATIVES

A BILL

To award a Congressional Gold Medal collectively to the Buffalo Soldier regiments, authorized by Congress in 1866 to serve in the United States Armed Forces, in recognition of their superior, dedicated, and vital service to our Nation.

- 1 Be it enacted by the Senate and House of Representa-
- 2 tives of the United States of America in Congress assembled,
- 3 SECTION 1. SHORT TITLE.
- 4 This Act may be cited as the "Buffalo Soldiers Con-
- 5 gressional Gold Medal Act of 2021".

1 SEC. 2. FINDINGS.

2	Congress finds the following:
3	(1) In 1866, Congress passed the Army Organi
4	zation Act which authorized the creation of six all-
5	Black cavalry and infantry regiments. These regi-
6	ments remained active until the Army was deseg-
7	regated in 1951.
8	(2) According to legend, American Indians
9	called the Black cavalry troops "Buffalo Soldiers"
10	because of their dark, curly hair, which resembled a
11	buffalo's coat.
12	(3) The African-American troops accepted the
13	name with pride and honor, as they were aware or
14	the buffalo's fierce bravery and fighting spirit.
15	(4) The original six regiments melded into the
16	following four regiments:
17	(A) The 9th Cavalry Regiment assembled
18	in New Orleans, Louisiana in August and Sep-
19	tember of 1866. They were ordered to San An-
20	tonio, Texas in April, 1867, with the mission to
21	maintain order and to secure the road from Sar
22	Antonia to El Paso.
23	(B) The 10th Cavalry Regiment gathered
24	in Fort Leavenworth, Kansas during the sum-

mer of 1867. In August, 1867, they were or-

25

- dered to Fort Riley, Kansas with the mission of
 protecting the Pacific Railroad.
 - (C) The 24th Infantry Regiment was organized in 1869, forming from the 38th and 41st Colored Infantry Regiments. They served throughout the Western United States, with the mission to protect frontier posts and secure roadways.
 - (D) The 25th Infantry Regiment assembled at Camp William Penn, Pennsylvania beginning in January 1864. They were assigned to numerous districts within the Department of the Gulf with the mission to maintain security.
 - (5) Buffalo Soldiers also assisted in the protection of National Parks. They helped fight wildfires and poachers in the Yosemite and Sequoia National Parks and served as park rangers in the Sierra Nevada.
 - (6) In the Spanish American War, all four regiments played key roles and fought with distinction, despite facing severe discrimination from the locals.
 - (7) At the start of World War I, the Buffalo Soldier regiments were dispatched to locations throughout central United States and into the Pa-

- cific, offering logistics and support behind the front lines in the American Expeditionary Forces.
- 3 (8) During World War II, African-American 4 soldiers and units continued to serve proudly under 5 the name "Buffalo Soldier", including the 92nd In-6 fantry Division, which was the only Black division 7 that saw combat in Europe.
 - (9) In the Korean War, Buffalo Soldier regiments fought throughout the Korean peninsula, from the defense of the "Pusan Perimeter" to the counteroffensives which resulted in the end of armed hostilities and the creation of the Demilitarized Zone.
 - (10) Buffalo Soldiers had the lowest military desertion and court-martial rates of their time. In recognition of combat valor and their actions beyond the call of duty, many were awarded the Congressional Medal of Honor.
 - (11) The Congressional Gold Medal would be an appropriate way to shed further light on the service of the Buffalo Soldiers and the instrumental role they played in instilling an approach to inclusivity within our military and the American way of life.
